RGB 3D FACE DATASET LICENSE AGREEMENT

The NetEase Fuxi AI Lab is the only owner of all intellectual property rights, including copyright, of the RGB 3D FACE DATASET, and its associated software. The LICENSE AGREEMENT explains the rules before and after you download and use the RGB 3D FACE DATASET. By downloading or using the data, you understand, acknowledge, and agree to all the terms in the following agreement. The NetEase Fuxi AI Lab reserves the right to terminate your access to the dataset at any time.

I. APPLICATION REQUIREMENTS

The permission for application is only open to researchers or faculty of universities or research institutes. It is prohibited for students or business entities to apply. The NetEase Fuxi AI Lab reserves the right to distribute the license.

II. NO COMMERCIAL USE

Licenses free of charge are limited to non-commercial research use only. You are only granted a limited, non-exclusive, non-assignable, and non-transferable license to use this dataset, which cannot apply for any commercial use.

III. NO DISTRIBUTION

This license is not a sale of any or all of the owner's rights. You are not allowed to sublicense or distribute this dataset in whole or in part to any third party. This product may only be used by you, and you may not rent, lease, lend, sub-license, or transfer the dataset or any of your rights under this agreement to anyone else.

IV. NO WARRANTY

The NetEase Fuxi AI Lab does not warrant the quality, accuracy, or completeness of any information, data, or software provided. Such data and software are provided "AS IS" without warranty or condition of any nature. The NetEase Fuxi AI Lab disclaims all other warranties, expressed or implied, including but not limited to implied warranties of merchantability and fitness for a particular purpose, concerning the data and any accompanying materials.

V. RESTRICTION AND LIMITATION OF LIABILITY

In no event shall the NetEase Fuxi AI Lab be liable for any other damages whatsoever arising out of the use of, or inability to use this dataset and its associated software, even if the NetEase Fuxi AI Lab has been advised of the possibility of such damages.

VI. RESPONSIBLE USE

It is your responsibility to ensure that your use of this product complies with these terms and to seek prior written permission from NetEase Fuxi AI Lab and pay any additional fees or royalties, as may be required, for any uses not permitted or not specified in this agreement.

VII. FURTHER INFORMATION AND COMMERCIAL OR SPECIAL LICENSING

For any further information or any special use request, please contact the authors at the following e-mail address: *yuanyi@corp.netease.com*

VIII. ACCEPTANCE OF CITATION

Any use whatsoever of this dataset and its associated software shall constitute your acceptance of the terms of this agreement. By using the dataset and its associated software, you agree to cite the papers of the authors, in any of your publications by you and your collaborators that make any use of the dataset, in the following format:

Lin, Jiangke, Yi Yuan, and Zhengxia Zou. "MeInGame: Create a Game Character Face from a Single Portrait". Proceedings of the AAAI Conference on Artificial Intelligence (AAAI), 2021.

```
@inproceedings{lin2021meingame,
    title={MeInGame: Create a Game Character Face from a Single Portrait},
    author={Lin, Jiangke and Yuan, Yi and Zou, Zhengxia},
    booktitle={Proceedings of the AAAI Conference on Artificial Intelligence (AAAI)},
    year={2021}
}
```

IX. SIGNATURE

As you understand, acknowledge and agree to all the terms above, please sign your name here and email this file to *yuanyi@corp.netease.com*. The NetEase Fuxi AI Lab will keep the license with your signature.
